Jennica Scott- Parent
DoriAnne Christensen Teacher
Shauna Blake- Teacher

Counselors Corner

UHED College tour day is February 20th. Juniors are able to attend. Different colleges will be there for juniors to learn more about. Juniors will be able to go to breakout sessions from each college.

97 pathways will be completed. Snow College pathway day 48 students will attend. Parents are invited this year so the parents can see the students' success.

\$500 scholarship will be given to the pathway completer. These scholarships help students that aren't 4.0 students get scholarships and continue their education.

ACT testing will be March 12th. Only Juniors attend school that day.

Seniors- Scholarships are flooding their emails. Help spread the word about these scholarships that are available.

Council Items

Discussed the 2024-2025 trustland plan. The Goal "South Sevier High School will increase our College Course offerings and increase our graduation rate to 95%."

2023 plan has been finalized with the state. Having the math instructional aid in the classroom hopefully, will help with the math scores on testing.

Following the plan from 2023 and hiring Barb as an emergency sub has been very successful. Robin Hessey reported that she hasn't had any last minute calls from teachers needing an emergency sub. Barb has filled that roll.

Next meeting we will vote on the 2024-2025 plan and we need a full group to attend.

Challenges for the construction projects that will start in April 2024. The plan is to have a new shop and CTE class rooms for those classes. We will have challenges we need to work through during construction but the finished project will be great for South Sevier High School.

Junior Prom rules and regulations were passed out and reviewed by the council.

Booster Club

Sarah will get letters out to clubs and teams before the next meeting. The letter is to give teams and clubs a chance to get some funding from the booster club.

What has happened

Cheer and Drill teams both took 2nd at State.

Becky Bastian closed the meeting.

Next Meeting is March 18th 3:30
