Kami Sorensen, Teacher
Jennifer Keele, Teacher
Robin Hessey, Classified
Angie Chappell, Classified
Becky Bastian, Parent/Chair
Barbara Larsen, Parent/Booster Club
Gina Meacham, Parent
Carma Gifford, Parent
Marsha Johnson, Parent
Melanie Jones, Parent

Becky Bastian called the meeting to order, and welcomed everyone, then turned the meeting over to Mr. Madsen. Angie Chappell reviewed the minutes, Barbara Larsen made a motion to approve the minutes, and Marsha Johnson seconded it. All other council members were in favor.

Becky Bastian read through the school improvement plan on parental involvement. She then opened it up for discussion on ideas to get parents to be more assertive on becoming involved. Melanie Jones mentioned that more information should be on the marquee out front. Another idea was updating the school website so there would be more interactive buttons, and places to go to get information. Becky Bastian will be helping with that on a monthly basis, and also getting the Technology Sterling Scholar student to help out with that. The council changed the third section of the parental involvement in the School Improvement Plan to include messenger, marquee, and school website. Marsha Johnson made the motion to approve the changes, and Barbara Larsen seconded it. All other council members approved and were in favor.

The time was turned over to Barbara Larsen for Booster club information. The homecoming dinner had a decent turnout, but again ideas are needed to get more involvement from the community. Barbara is going to meet with Larry Morwood on 10.11.17 about putting a pavilion over the cement out by the football field. The booster club is having a Halloween carnival this year, and it will be on October 27 from 5-6:30. There will be a movie after the carnival is over to as a thank you for helping with the carnival this year. It was decided last year, that any group or club that would like to be funded by the booster club, should come and help at the halloween carnival. The booster club was also wondering if there was another fundraising idea to do instead of, or in addition to the halloween carnival.

Mr. Madsen said that there was a good turn out for parent/teacher conferences this time. He said that the time was shortened and he thought that was a good idea. The council had a good discussion with the parents and the teachers, and the teachers really like it when the parents and the students come, even if the students are doing well.

Mid semester is on October 18th. This will determine eligibility for winter sports. Becky Bastian made a motion to adjourn and Barbara Larsen seconded it. All other council members approved.

The next community council meeting will be November 13th at 3:30 in the SSHS media center.
