Becky Bastian called the meeting to order, and welcomed everyone, then turned the meeting over to Mr. Madsen. The committee members reviewed the minutes. Barbara Larsen made a motion to approve the minutes, and Marsha Johnson seconded it. All other council members were in favor.

Mr. Madsen introduced BJ Peterson, and Kip Hansen and had them explain why they deserved to receive Booster Club allocation money. Coach Peterson would like to use the money for new soccer equipment, portable benches, and specific training equipment. This would benefit both girls and boys soccer teams. They have helped with Booster club activities, including Halloween carnival, and homecoming dinner. They are asking for \$650. Kip Hansen would like to use the money for FFA parliamentary procedure materials. They will be used for many years, as they are all non-consumables. They have also been supportive of the Booster club by helping with the Halloween carnival. They are asking for \$365. Brett Beagley with the volleyball team would like to use the money for new volleyballs. When the volleyballs get worn out, the team gives them to the middle school teams so they can practice with them. The volleyball team does fundraisers, and also helped the booster club with the Halloween carnival. Marsha Johnson was wondering where all the money goes and Brett explained that it goes to pay for officials, and tournaments for the team. They are asking for \$550. BJ Peterson and Kip Hansen were then excused.

Barbara Larsen let the council know how much was available to allocate for the clubs and teams that have asked for it. There was \$8500 to spend. Becky Bastian suggested to give swim team the full amount they were asking for since they are a new team. Mr. Madsen was wondering if the booster club would help to buy a new score clock in the main gym. The one that is in the main gym is older and the company that put it in is now out of business, so there is really no

way to update, or repair if necessary. It will take a while for money to be raised, but the council all thought that giving \$2000 towards a new score clock was a good idea. Mr. Madsen also said that the pavillion is coming along. The district is covering the majority of the cost, but our school, and booster club was asked to cover \$1500 for soffit and fascia. That leaves \$6500 to allocate to the clubs and teams from our school.

FFA asking for \$365 for parliamentary procedure materials. Has helped Booster club
Band asking for \$1296 for drum harnesses.

*Swim team will receive \$1400. Randy Madsen made motion to accept, Marsha Johnson seconded and all other council members approve.

Jennifer Keele made a proposal for four (4) red blazers that could be used for FCCLA competitions. They are \$55 each for a total of \$220.

*FCCLA will be given \$220. Barbara Larsen made motion to accept, Melanie seconded, and all other council members were in favor.

Total amount allocated is \$5753.

Mr. Madsen reviewed the Trustlands spending so far, and asked the council for ideas on how to spend the remainder. The teachers and staff will also be putting in suggestions so the next community council meeting we will decide on that money.

Mr. Shakespear attended a week long drug prevention conference in Washington DC. It was informative and he learned a lot. He also mentioned that the website looks great and that Becky Bastian has been helping to keep that updated. Mr. Shakespear said that the ACT prep is being held Monday and Tuesday's during ram time. It is mainly for dorm students, but anybody is invited to attend. The ACT test will be given on February 27, 2018. School will not be held that day, but parent teachers will be that night from 5:30- 7:00 p.m.

Congratulations to Scott Brady for receiving Utah Science teacher of the year, Dustin Shakespear honored at the Utah State Capitol for a SSHS student nominated award. Deb Morgan received Teacher of the year, and Randy Madsen received Administrator of the year. Good job to all!

Becky Bastian made a motion to adjourn and Barbara Larsen seconded it. All council members approved.

The next community council meeting will be held on Monday, March 12th at 3:30 in the SSHS Media Center.
