## **2. Discussions of CC responsibilities:**

Rules of Order: Mr. Hansen

Committee Members to elect Chair/Vice Chair

Robert's Rules of Order is a good resource to conduct the meeting. 1. Chairman doesn't have a vote unless there is a tie.

2. If the Chair isn't at the meeting, the one in charge will be the Vice Chair.

Lisa nominated Joelle for Chair, Joelle accepted the nomination and Karl closed the nomination. All voted in favor of Joelle as Chair. Joelle opened the nomination for Vice Chair. Lisa nominated Brittany and Karl for Vice Chair. All voted in favor of Brittany and Karl as Vice Chair. Voting was unanimous.

Elected:

Chair: Joelle Eyre

Vice Chair: Brittany and Karl Obray

We need to work on getting more people to help with the booster club. We need ideas for a way to help get more people involved in the club or to donate services or other items.

Fast pass at the homecoming game and close to 600 tickets were prepaid before the game.

Angie Blackburn sent out the information about donating to the booster club.

Nancy sent out the information to the businesses in the summer.  
We need to reach out to more businesses and alumni who would love to donate.

-3-

ScholarShip are given out each year from the booster club.  
Reach out to the Alumni and have them make a referral so we can have a bigger pool to contact for donations.  
We need more projects to help the community get involved and make it have a purpose.  
Ideas to come back next Month.  
Needs to be on Social Media so it is hitting a bigger audience.  
Use the messenger to get messages out to the public.

### **School Land Trust**

School improvement plan will be available at the next meeting.  
If we have any funding left, what we would like to do with the money. SRF funding covers technology. Everyone voted to use the money for software and technology.  
Booster Club raises money for all students, not just for sports... let's keep that in mind.  
TSSA funding- Hired a student's service assistance that will help with the attendances.

### **Community Concerns**

Covid- Covid concerns with the students and staff. Staff and students are being more concerned and aware of rates. Rates of covid have gone down from the first of the school year.

### **Looking Forward:**

Strategic ACT Dates: November 4, 2021,  
Parent/ Teacher conference: October 11-15, 2021  
Prior to that week, teachers will send emails out to parents for any concerns they have and set times to meet. Concerns might just be through emails for students.

Liz Memmot moved to end the meeting. All voted in favor.
