Additional Info: **DHHS - 0-8 Care Coordinators** provide compassionate, well-informed support to families by connecting them to resources, educational services, screenings, and make referrals for children ages 0 to 8. This no cost, statewide service has no eligibility requirements and ensures families receive the care and support they need. Our care coordination program offers this free no- cost service to families and children aged Birth through 8 statewide. And our Care Coordinators speak Spanish and we also have access to an interpreter service for other language needs.
