### **Counselor Corner:**

1. Representatives from the various colleges have been here to recruit students and help them fill out their applications.
2. FAFSA Night - Fourth Annual ..... about 95% of parents attend this to get help and understand the FAFSA forms better.
3. CCR for Seniors and Freshman will be finished by the end of October. Feb, March is for 10th grade. Mrs. Lyman meets with each grade twice a year. Planning is very important to help students understand the direction they want to go after High School.
4. Parents Night. "Think Right Parent Night" This will be for all schools. We need support from all members to help get the word out about this event. 5. Parent Survey- Counselors need feedback from parents to help with any improvements they can do to help the students. Every 6 years the state reviews the school

counselors. Help us get the word out that we need feedback from parents.

**Council Items:**

Another 2-3 years and we should have enough data to decide to continue or make a change. We want to see a continued rise in Math and other ACT scores, particularly to see how the interventions in math play out.
