Council Items:

1. All members watched the state Community Council training video.
2. Election for Chair and Co-Chair. Joelle nominated Lisa Nielson to be the chair... all in favor. Mr. Beagley motioned to nominate Liz Memmott for Co-chair... all in favor.
3. Mr. Hansen reviewed Rules of Order in a meeting and how to conduct a meeting.
4. Lisa Nielson reported on the Booster Club tailgate party. Great turnout and they sold out on all the food. Booster club money that is earned will go towards a new softball and football scoreboard. The booster club will work on being more transparent to the community about where the earned money is going. Mr. Beagley mentioned that when we have games at the school, 70% of the gate money goes towards the team playing and the other 30% goes to the other athletic fund.
5. ACT goals being met: Mr Hepworth reported on the results. The goal for the school is to be above the statewide average.
