

Upcoming School Plan 2023-2024 - South Sevier High

Please Finish your Plan Submission

At least one goal is required.

Goal #1

State Goal

Goals may be single or multi-year. State the student centered academic goal. Include the anticipated date the goal will be achieved.

At South Sevier High School, we want to increase all of our scores on the ACT test. We will also increase our CTE and college offerings while maintaining a graduation rate of 95%.

Academic Area

close

close

Select the academic area(s) this goal will address. Utah law designates academic priorities as indicated in the **Priorities** list. A council may, supported by a council's data

close

discussion, include goals on the **Other Academic Area in Core Standards list** if it *is* a priority of the local school board or charter board. As with all academic areas, the

measurement section **MUST** include the data and other relevant indicators supporting the decision to identify the academic area as a 'most critical academic need.

Describe the data and/or other relevant indicators supporting the decision of the council to identify this (these) academic area(s) as a 'most **critical academic** need.' What measurement(s) will be used to quantify student academic progress and success. Please be prepared to explain measurement results in the Final Report.

1- We will use ACT test scores to track improvement in core subjects. 1- We will use post secondary readiness coursework data from the USBE to monitor college and career progress. 3- We will use graduation rates from past years to contrast and compare.

Action Plan Steps and Expenditures

List the specific steps of the Action Plan to reach this goal. Expenditures must identify Action Plan steps.

Please number the steps in the Action Plan:

C

- 1- We will hire an instructional aid to assist in our math classes.
- 2- We will track student grades. When a student does not reach mastery in a class, they will be requested to their intervention class in order to get the assistance to achieve mastery and pass the class.
- 3- We will purchase a math program.
- 4- We will purchase an ELA program.
- 5- We will Purchase licenses for odysseyware so the students can recover credit.

Funding

Changes

*There are **times** when the **planned** expenditures in the goals of a plan are funded by the LEA, a grant, or another unanticipated funding source leaving additional School LAND Trust funds to implement **the** goals. How will the council spend the **funds** to implement the **goals** in this plan?*

If South Sevier High School were to receive additional funding we want to hire someone that can teach drama to offer another fine arts credit for our students. Also ongoing salary and technology to ensure future programs such as character education, school to career programs such as ACT, increased pathway offerings, interventions and curriculum development to meet our goal.

Publicity

The following items are the **proposed** methods of how **the** Plan **would be** publicized to
