

How to setup the SSHS Calendar on an iPod, iPhone, or iPad.

1. Open settings.
2. Select Mail, Contacts, Calendars.
3. Select Add Account...
4. Select Other.
5. Select Add Subscribed Calendar under Calendars.
6. Copy and paste or type the following in the Server box (type it exactly as you see it):

http://www.google.com/calendar/ical/seviersd.org_roq98ur5neusibb8nnv2trddoc%40group.calendar.google.com/public/basic.ics

7. Click Next.
8. In the next window leave everything as specified. Make sure Use SSL is turned on.
9. Click on Save.
10. Go to your Calendar, then click on Calendars on the bottom of the screen.
11. Click on the SSHS Calendar under Subscribed. If you do everything correctly, you should see the blue SSHS Calendar items on your Calendar. Sometimes it takes a minute for everything to sync the first time.
12. Smile!
